CANADA.
No. 581.
SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

The Governor-General,
His Royal Highness
The Duke of Connaught and of Strathearn, K.G.,
etc., etc.

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon

the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

NOTICE.

REPORT of the Honourable the Minister of Lands with respect to the cutting of aeroplane spruce, approved by His Honour the Administrator in Council, 18th January, 1918.

That the immediate supply of large quantities of aeroplane spruce is vital to the success of the war in the air.

That the Allies depend upon British Columbia, Washington, and Oregon to furnish this material.

That a most serious delay has already occurred in securing it, and that unless prevented further delays will continue to hinder immediate production.

That it would appear that one of the main causes of delay in the production of spruce is the time lost in negotiating for the right to cut standing timber.

That in this national emergency it is imperative that the Province of British Columbia shall contribute its full quota to the spruce production of the Pacific Coast.

That under these circumstances the Provincial Government finds itself obliged to take immediate and vigorous action to remedy the existing state of affairs, and for the reasons aforesaid to recommend:—

That the Minister of Lands be authorized and empowered:—

(a.) To forthwith arrange with the Imperial Munitions Board for the immediate logging of aeroplane spruce upon all areas of vacant Crown land that may be judged suitable for the purpose by the Department of Lands, as well as upon coal leases, coal licences, and mineral claims to which Crown grant or surface rights has not been issued:

(b.) To call upon all holders of Crown timber held under licence or lease which is judged by the Lands Department to be suitable for the purpose to proceed immediately with the logging of aeroplane spruce, and in default of compliance the Minister shall instruct the Department of Lands to arrange for such logging in co-operation with the Imperial Munitions Board:

(c.) To arrange with the Imperial Munitions Board on equitable compensation to be paid for timber so cut from any licence or lease.

AT THE EXECUTIVE COUNCIL CHAMBER.

1.
